Student Preparation

Special Admissions Procedure or Student Qualifications required:
Admissions procedures and student qualifications do not exceed regular College standards.

New Program Report

Specific Population Characteristics to be served:

Columbia College serves traditional students in the Day Program and specializes in adult education and military education. Columbia College serves nearly 20,000 students each year in more than 30 locations.

Faculty Characteristics

Special Requirements for Assignment of Teaching for this Degree/Certificate:

Columbia College adheres to the credential requirements set forth by HLC for all faculty members. Columbia College requires instructors to have at least a master's degree from a regionally accredited institution in the subject to be taught, with relevant coursework and/or professional experience directly related to the course. In exceptional circumstances, special certification or extraordinary work experience may compensate the absence of certain academic credentials.

Estimate Percentage of Credit Hours that will be assigned to full time faculty:

The program will be taught by adjunct faculty which will teach no more than 9 credit hours in a given session, and no more than 6 in-seat credit hours a session

Expectations for professional activities, special student contact, teaching/learning innovation:

Adjunct faculty members are expected to receive training, including training on the incorporation of new technologies in the classroom for teaching/learning and innovation. They are required to provide their contact information to students.

PROGRAM CHARACTERISTICS AND PERFORMANCE GOALS

Although all of the following guidelines may not be applicable to the proposed program, please carefully consider the elements in each area and respond as completely as possible in the format below.

Quantification of performance goals should be included wherever possible.

1. Student Preparation

- Any special admissions procedures or student qualifications required for this program which exceed regular university admissions, standards, e.g., ACT score, completion of core curriculum, portfolio, personal interview, etc. Please note if no special preparation will be required.

Admissions procedures and student qualifications do not exceed regular College standards.

- Characteristics of a specific population to be served, if applicable.

Columbia College serves traditional students in the Day Program and specializes in adult education and military education. Columbia College serves nearly 20,000 students each year in more than 30 locations.

2. Faculty Characteristics

- Any special requirements (degree status, training, etc.) for assignment of teaching for this degree/certificate.

Columbia College adheres to the credential requirements set forth by HLC for all faculty members. Columbia College requires instructors to have at least a master's degree from a regionally accredited institution in the subject to be taught, with relevant coursework and/or professional experience directly related to the course. In exceptional circumstances, special certification or extraordinary work experience may compensate the absence of certain academic credentials.

- Estimated percentage of credit hours that will be assigned to full time faculty. Please use the term "full time faculty" (and not FTE) in your descriptions here.

The program will be taught by adjunct faculty which will teach no more than 9 credit hours in a given session, and no more than 6 in-seat credit hours a session.

- Expectations for professional activities, special student contact, teaching/learning innovation.

Adjunct faculty members are expected to receive training, including training on the incorporation of new technologies in the classroom for teaching/learning and innovation. They are required to provide their contact information to students.

3. Enrollment Projections

- Student FTE majoring in program by the end of five years.
21 FTE after five years

- Percent of full time and part time enrollment by the end of five years.

The current Rolla business degree student body attends school FT 62% of the time and PT 38% of the time; the expectation is that these percentages will continue for the Accounting Program. The projections below are based on the expected growth of 5 students per year before we reach a steady state of 30-35 students. The program already has 8 students ready to transfer into the program this fall, hence the initial start with 10. These numbers are very conservative.

STUDENT ENROLLMENT PROJECTIONS

YEAR	1	2	3	4	5
Full Time	5	8	11	14	17
Part Time	5	7	10	12	14
Total	10	15	21	26	31

4. Student and Program Outcomes

- Number of graduates per annum at three and five years after implementation.

Percent of graduates at 3 years: 14%

Percent of graduates at 5 years: 38%

- Special skills specific to the program.
N/A
- Proportion of students who will achieve licensing, certification, or registration.
N/A
- Performance on national and/or local assessments, e.g., percent of students scoring above the 50th percentile on normed tests; percent of students achieving minimal cut-scores on criterion-referenced tests. Include expected results on assessments of general education and on exit assessments in a particular discipline as well as the name of any nationally recognized assessments used.

Columbia College's goal is to have all students score at least in the 75th percentile on all normed tests.

- Placement rates in related fields, in other fields, unemployed.
N/A
- Transfer rates, continuous study.
N/A

5. Program Accreditation

- Institutional plans for accreditation, if applicable, including accrediting agency and timeline. If there are no plans to seek specialized accreditation, please provide rationale.

The degree program being proposed has been approved by the Higher Learning Commission.

The Business School intends to seek specialized accreditation for all business programs through ACBSP. This process will be at least 2 years but could potentially take five.
