Student Preparation

New Program Report

Special Admissions Procedure or Student Qualifications required:

Entry requirements align with those of Jefferson College. Students must enter with college-level skills in Reading, English and Mathematics. Students below that level will be required to complete remediation. Music faculty will review and audition all applicants for this degree program. Given the competition in the labor market for those with music training, it is critical that they have the aptitude and discipline needed to succeed in this field of study and career.

Specific Population Characteristics to be served:

This program is for students with strong skills in music and who possess the abilities needed to succeed in college-level curriculum, both in music and in general education.

Faculty Characteristics

Special Requirements for Assignment of Teaching for this Degree/Certificate:

Faculty must possess a minimum of a Master of Arts (or Science) in Music or a Master of Fine Arts in Music.

Estimate Percentage of Credit Hours that will be assigned to full time faculty:

The classes offered in this program overlap with existing scheduled instruction. Full time faculty are responsible for the credit hours and program review.

Expectations for professional activities, special student contact, teaching/learning innovation:

Faculty will engage with four-year programs to develop new and enhance existing transfer relationships. They also participate in professional development activities to support current and relevant curriculum.
