CIP Information

CIP Code:

110103

CIP Description:

A program that focuses on the design of technological information systems, including computing systems, as solutions to business and research data and communications support needs. Includes instruction in the principles of computer hardware and software components, algorithms, databases, telecommunications, user tactics, application testing, and human interface design.

CIP Program Title:

Information Technology

Student Preparation

Special Admissions Procedure or Student Qualifications required: No special admissions procedures or student qualifications are required.

Specific Population Characteristics to be served: n/a

Faculty Characteristics

Special Requirements for Assignment of Teaching for this Degree/Certificate:
Full time faculty teaching for this degree are required to hold a masters degree in the information technology or related field, or hold a masters degree and have completed at least 18 credit hours of graduate level course work in information technology or a related field. Part time faculty are expect.

graduate level course work in information technology or a related field. Part time faculty are expected to meet the same criteria as listed above, however exceptions may be granted for specific courses if the instructor has a sufficient level of work experience, has industry-recognized certifications or other relevant credentials.

Estimate Percentage of Credit Hours that will be assigned to full time faculty: Approximately 75% of the credit hours in the 60-credit hour program could be assigned to full time faculty.

Expectations for professional activities, special student contact, teaching/learning innovation: Full time faculty are expected to complete annual professional development training to remain up to date in their field. Full time faculty will also be the advisors for students in this program. Teaching/learning innovations in class activities, laboratory experiences, delivery of course material are expected.

Internship or other Capstone Experience:

This program requires both an internship and capstone experience. The CIS 299 Internship in Information Technology is a three-credit class in which students will complete an internship experience at an internship site for 120 contact hours during a fall, spring or summer term. Students will meet the work requirements of the internship and complete additional reflective assignments, including discussion activities and work journals. The CSC 297 Computer Science and Information Technology Capstone is a one-credit class that prepares students for their next steps, whether transfer to a bachelors-level program or to enter the workforce. The course focuses on Work essential skills such as communication, business ethics, interview skills, resumes, etc.

Assurances

I certify that the program is clearly within the institution's CBHE-approved mission. The proposed new program must be consistent with the institutional mission, as well as the principal planning priorities of the public institution, as set forth in the public institution's approved plan or plan update.

I certify that the program will be offered within the proposing institution's main campus or CBHE-approved off-site location.

I certify that the program will not unnecessarily duplicate an existing program of another Missouri institution in accordance with 6 CSR 10-4.010, subsection (9)(C) Submission of Academic Information, Data and New Programs.

I certify that the program will build upon existing programs and faculty expertise.

I certify that the program can be launched with minimal expense and falls within the institution's current operating budget.

I certify that the institution has conducted research on the feasibility of the proposal and it is likely the program will be successful. Institutions' decision to implement a program shall be based upon demand and/or need for the program in terms of meeting present and future needs of the locale, state, and nation based upon societal needs, and/or student needs.

Information Technology

Missouri State University

Associate of Applied Science in Information Technology

The Associate of Applied Science in Information Technology is designed to prepare students for careers in the information technology fields. This academic guide is based on the 2022-2023 Missouri State University-West Plains Catalog. The time to complete the degree will vary, depending on remediation, summer enrollment, number of classes taken per semester, etc.

XVIII. Adjournment Presented By: Governor Carol Silvey

MINUTES OF THE BOARD OF GOVERNORS MISSOURI STATE UNIVERSITY THURSDAY, MAY 19, 2022

The Board of Governors for Missouri State University held a meeting in the Robert W. Plaster Student Union, Traywick Parliamentary Room 313 on the Missouri State University campus in Springfield, Missouri on Thursday, May 19, 2022, with Governor Carol Silvey, Chair of the Board of Governors, presiding. Governor Silvey called the meeting to order at 1:00 p.m.

Roll Call

Present - Car

Carol Silvey, Chair of the Board Amelia "Amy" Counts, Governor Briar Douglas, Student Governor

Anson Elliott, Governor Craig Frazier, Governor Ann Kampeter, Governor Lynn Parman, Governor Chris Waters, Governor

Absent -

Gabriel Gore, Governor Jay Wasson, Governor

Also present - Clif Smart, President

Jim Baker, Vice President for Community and Global Partnerships

Jeff Coiner, Chief Information Officer

Ryan DeBoef, Chief of Staff and Assistant to the President for

Governmental Relations

Rachael Dockery, General Counsel and Chief Compliance Officer

Brent Dunn, Vice President for University Advancement

Frank Einhellig, Provost

Steve Foucart, Chief Financial Officer

Dennis Lancaster, Chancellor of the West Plains Campus

Natalie McNish, Director of Internal Audit and Risk Management

Kyle Moats, Director of Athletics

Wes Pratt, Chief Diversity Officer and Assistant to the President

Suzanne Shaw, Vice President for Marketing and Communications

Dee Siscoe, Vice President for Student Affairs

Rowena Stone, Secretary to the Board of Governors

Shawn Wahl, Dean of the Reynolds College of Arts and Letters

Governor Silvey welcomed everyone to the meeting. She shared that Dr. Ron Del Vecchio, Dean of the College of Agriculture, passed away last month following a valiant battle with leukemia. While the university searches for the next dean, Dr. Anson Elliott, Governor, has generously offered to serve as interim dean on an unpaid, voluntary basis. Dr. Elliott previously served as Director of the College of Agriculture from 1980-2016. While serving as interim dean, Dr. Elliott will continue to participate in meetings of the Board of Governors, but will abstain from voting on

any action items, in order to avoid the appearance of any possible conflict of interest caused by his dual roles.

Approval of Minutes

Governor Silvey called for a motion to approve the open and closed minutes of the February 18, 2022, and March 31, 2022, meetings and April 7-8, 2022, Board Development Workshop. Governor Lynn Parman provided a motion, receiving a second from Governor Ann Kampeter for approval of all the minutes.

Motion passed 6-0. Governor Elliott abstained.

Consent Agenda

Governor Silvey noted the next item of business on the agenda was the approval of the consent agenda with an updated resolution for agenda item III.E.4. Items included in the consent agenda:

President

Approval of Appointment of Brad Bodenhausen as Vice President for Community and Global Partnerships

Approval of Employment Agreements for Athletics (Human Resources No. 1698-22)

Facilities and Equipment

Approval of Activity Report for the month of February 2022 (Activity Report No. 322-22)

Approval of Activity Report for the month of March 2022 (Activity Report No. 323-22)

Approval of Activity Report for the month of April 2022 (Activity Report No. 324-22)

Approval of consultant and authority to enter into an agreement for professional services in conjunction with the nursing simulation lab addition at Looney Hall on the West Plains Campus (West Plains Architects & Engineers No. 59-22)

Human Resources

Approval of Actions Concerning Academic Employees (Human Resources No. 1699-22)

Approval of Actions Concerning Non-Academic Employees (Human Resources No. 1700-22).

Procurement and Financial

Approval of Procurement Activity Report (Purchasing Activity Report No. 510-22)

West Plains Campus
