<b>Bills Passed in 2019</b>						
<b>SB 68</b>	FastTrack	Creates the Fast-Track Workforce Incentive Grant which provides grants for Missouri citizens to attend approved programs at Missouri institutions.	August 28, 2019	Administer new grant/loan program.	Operations	DHEWD has several next steps for this program: <ul style="list-style-type: none"> <li>• File proposed administrative rules upon receipt of approval from the Governor's office;</li> <li>• Continue reviewing applications received;</li> <li>• Make first awards.</li> </ul>
<b>SB 306</b>	Military Families	<p>This legislation impacts the Veteran's Survivor Grant, the Missouri Returning Heroes Education Act, and In-State Tuition determinations.</p> <p>For the Veteran's Survivor Grant, 173.234, it removes the sunshine provision.</p> <p>For the Missouri Returning Hero's Act, 173.900, it does the following:</p> <ul style="list-style-type: none"> <li>• Expands the definition of "combat veteran" to include those who served before 9/11/01;</li> <li>• Extends the program to graduate degrees; and</li> <li>• Allows the veteran to choose whether to apply the tuition reduction before or after other aid is awarded.</li> </ul>	August 28, 2019	Supervise implementation of these new programs at the institutions and offer guidance to the institutions.	Operations	<p>DHEWD is updating its guidance on its website for both students and institutions regarding these programs.</p> <p>DHEWD continues to provide guidance to schools as requested.</p>

		For In-State Tuition determinations for military dependents, 173.1155, it requires that eligibility for in-state tuition rates be determined at time dependent is accepted for admission.				
<b>HB 604</b>	A+	Modifies the A+ program to require DHEWD to provide A+ dollars to high school students in dual-credit classes.	August 28, 2019	Cooperate with the Governor's Office to figure out how to implement.  Once funded, implement the new dual-credit piece of the program.	Operations	<p>This legislation is problematic in that the way it is written it is impossible to make the dual credit payments because the qualifying criteria are impossible to achieve. As written, to get dual credit dollars while in high school, a student must be a graduate from high school.</p> <p>It is also problematic because the legislation requires that the traditional A+ students be paid first, then dual-credit in high-school paid second on the basis of financial need. However, the DHEWD will not know how much money is left for the dual-credit students until May of 2020, well beyond the time-frame for making it available for students with a financial need.</p> <p>DHEWD plans to implement the A+ changes that are possible to file its administrative rule changes after approval by the Governor's Office.</p> <p>In the long-term, DHEWD staff proposed funding for the dual credit piece in its budget for FY21. There is no funding for this piece in the current FY budget. DHEWD will also monitor proposed changes to the competing dual credit statutes should they arise during session.</p>
<b>HB 77</b>	PSRS	Under current law, any person retired from the Public School Retirement System of Missouri (PSRS) may be employed by an employer included in the retirement system in a position that does not normally require a Missouri teacher certification. Such a person may earn up to 60% of the statutory minimum teacher salary without a discontinuance of the person's retirement allowance.	August 28, 2019	No action required. 		<p>If any such person is employed in excess of the limitations, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is employed.</p> <p>This act exempts any person retired and currently receiving a retirement allowance from PSRS employed by a public community college from such provisions of law.</p>				
<b>HB 3</b>	Budget Bill	Officially combined the DWD, MERIC, and DHE budgets.	July 1, 2019	Create budget plan for an entirely new department.
