988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention Lifeline.

The current Lifeline phone number (1-800-273-8255) will always remain available to people in emotional distress or suicidal crisis, even after 988 is launched nationally.

Crisis centers can serve entire communities. These centers connect callers to providers in their community that can support their needs.

Anticipating a huge uptick in calls once new dialing code goes live, per Casey Muckler and Stacey Williams (DHM) MOM presentation
