Journey to College

Lead Up to Decision Day

- Senior College Planning Parent Night
- College Fairs & visits from reps
- College Road Trips
- FAFSA Frenzy
- I Decided Senior Bulletin Board
- I Decided posts on school website/Social Media
- First Annual Senior Scholarship Social
- Decision Day Celebration Assembly (which was later changed to a Decision Day slideshow on school website due to Covid-19)
- Senior Spotlights

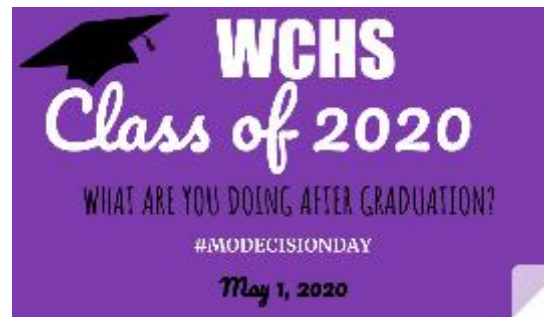

The students loved our first annual Senior Scholarship Social, where I introduced them to all of our local school & community scholarships. This gave them time to sit and complete applications, while learning about our school history, enjoying snacks & visiting with their friends. It was a big hit. They especially loved the photo booth.
