A large, light blue, bubbly graphic with a soft shadow, resembling a splash or a cloud. It is surrounded by white streamers and confetti, creating a celebratory atmosphere. The text is centered within the blue shape.

2024

Innovator of the Year

# Chris Fuentes

KC Public High Schools College Access Specialist

A large, vibrant blue splash of water dominates the center of the page. The splash has a soft, rounded shape with darker blue highlights and white foam at the top, giving it a three-dimensional appearance. The word "Closing" is written in a clean, black, sans-serif font, centered within the blue area. The background is white, with scattered blue water droplets and splashes around the main splash, creating a sense of movement and freshness.
