Form C106 - Letter of Commitment**

K-12 Partner

Submit one copy of this form for **every** participating K-12 school partner. If two or more schools are in a single school district, only one form needs to be completed by a district administrator on behalf of all participating schools.

As a partner in a project funded by the Cycle-12 MDHE *Improving Teacher Quality Grant*, I hereby commit my school district or school(s) within the district to provide access to classroom-level teacher and student demographic and achievement data as requested by the Project Director and/or the External Evaluation Team for the purposes of measuring the impact of MDHE *Improving Teacher Quality Grant* funds.

Examples of data that may be required for evaluation purposes include (but are not limited to):

- pre- and post-test scores in teachers' and possibly students' content knowledge;
- teacher interviews;
- student interviews;
- classroom-level MAP test results;
- aggregated building-wide and/or district-wide MAP test results;
- results of standardized tests administered by the district;
- classroom-level math and/or science assessments administered in the grade levels participating in the project.

The Project Director and External Evaluation Team guarantee the confidentiality of student, teacher, and school information in reporting. Analyses of all data collected will be made available to the K-12 partners so that they can be used to improve school or school district achievement in math and/or science.
